

Carbon Cutting Workshops

Come along to find out how to assess your carbon footprint - and how to reduce it. You could even save money as you do.

There will be a short presentation on how carbon warms our planet then a practical workshop looking at ways to reduce your carbon footprint.

The workshops are free but spaces are limited. Please book your chosen date at www.henley-in-transition.org.uk

Wednesday 12th June, 7.00 to 9.30.
Kings Arms Barn

Saturday 15th June 10.00 to 12.30
D:two Cafe. Market Place

This workshop is suitable for families with children aged 9 and over. The session is in a child friendly space. The presentation is suitable for ages 9+. The workshop is suitable to share with young people. There are not activities specifically designed for young people.

Tuesday 18th June 10.00 to 12.30
Christchurch Centre, Reading Road
